

# Accidental Liquid Damage Protection

Protect your Tablet from damage not covered under warranty

Accidental Liquid Damage Protection saves you significantly relative to the cost of repair or new system. Users typically **save between 28%–80%** depending on the machine type and repairs needed. ADLD is performed by Wishtel™-Trained technicians, using Wishtel™-Qualified parts, reducing the need for re-repair. Wishtel's comprehensive diagnostic tools can identify hidden damage that may have otherwise gone untreated
